

## Gail Chavenelle: "Dance#nowaste"

3' w - 8' h' - 24"d 275 pounds

\$8,500 Value

Steel plate

### Artist Comments/concept description:

***Dance #nowaste*** is more abstract- exploring sustainability as three dancer forms celebrate sustainability and no waste.

It began as an 8 foot tall sheet metal plate. All elements- the positive, negative and line are used. There is literally no waste.
