

NOTICE OF CONSTRUCTION: STREET REPAIR

The City of Urbandale is undergoing street repairs for the next several weeks and has contracted TK Concrete, Inc. to provide construction services. Thru traffic will be maintained throughout the duration of these repairs; however, short term lane closures are likely to occur. Thank you for your patience and cooperation.

Notes:

- Please flag, mark, or make our jobsite foreman aware of irrigation or invisible fences.
- Please let our office or jobsite foreman know about upcoming events that would be impacted. Ex: Graduation party, garage sale.
- Construction updates will be available at <https://www.urbandale.org> under “City Projects”
- After an area is backfilled it will be seeded. If seed does not take, it will be sodded in the fall.
- Urbandale Engineering manager: Kristin Brostrom (515)-331-6735
- Jobsite Foreman: Randy (641)-780-7997
- Office Contact: Jason – jmallicoat@vermeergroup.com
- Project scope: Area between Dewey Gibbs Road to Douglas Avenue & Melanie Drive to Patricia Drive.
- Project deadline is September 25, 2020
